

## In-Kennel Obedience Contract

In-Kennel Obedience is a program where your dog boards at Canine Country Club for obedience training for approximately three weeks. Your dog is observed, worked and played with on a daily basis (Monday through Friday) by the trainer. We will work on the following obedience: heeling at your side with an automatic sit, down, sit, stay, come, waiting at doors. The following basic manners will also be addressed: jumping, mouthing and other problems that you may have. Commands are given verbally and with hand signals. If possible, I prefer that dogs go home on the weekends so you can start to practice what they have been learning. You will be given private lesson before the first weekend that your dog goes home. You will receive instructions and homework on how and what to practice. This is the start of a new chapter in your relationship with your dog. By practicing you can give your dog an advantage in his training while here. I will be working with you so that you will be able to enforce the training that your dog has received. The more you work with your dog, the better your dog will behave. Consistency is the key.

You will receive another private lesson at the end of the three-week session when you pick up your dog. An additional follow-up lesson is also included which must be completed within 30 days. This will insure that the training is continuing smoothly. I am also always available to speak to you by phone if you have any concerns or questions and to give you updates on your dog.

Please take time to fill out the attached questionnaire regarding you dog. Any information that you give me will help me develop an individual training program to fit you and your dog's specific needs.

Notwithstanding any provision in this Contract to the contrary, in the event that a dog trainer becomes unavailable, or your dog suffers illness, injury, or other incapacity, Canine Country Club reserves the right to cancel this Contract and refund the cost paid by you; if the contract is cancelled during the training period, the cost (including the deposit) paid by you will be refunded to you in an amount proportionate to the number of days you will not receive the training service. You agree that: (i) your refund in accordance with these terms will be your sole remedy for cancellation of the contract by Canine Country Club, and (ii) upon cancellation of this Contract by Canine Country Club, you will be responsible to pay the cost of boarding your dog for each day after cancellation that your dog stays at the Canine Country Club.
